

WHERE TO GET A COVID-19 TEST

Call your family doctor FIRST to get a COVID-19 test.
It is completely FREE if you say you're just needing a test. If your family doctor is busy, they will recommend another family doctor that can test you.

You can also visit a designated GP clinic to get tested.
You don't need to be enrolled to get tested at these clinics.

Another option is to visit an Urgent Care Clinic –
some of these are opened 24 hours, 7 days a week.

Your final option is to visit a Community Testing Centre.
