### **Troy ELLIOTT**

C&R - Communities and Residents

My principal place of residence is in the Auckland District Health Board area. I am also standing for Ōrākei Local Board.

My wife, Tracey was diagnosed with Stage IV Breast Cancer 5 1/2 years ago and through determined pressure we were instrumental in

Pharmac increasing the range of cancer drugs they fund. I continue to be a speaker and advocate for better treatment for cancer patients.

An experienced senior business leader, I've owned and managed award-winning businesses from telecommunications to the fitness industry.

As a founding member of Patient Voice Aotearoa I've appeared regularly in print and television, speaking about the battles we've had with the health system. I will be a strong advocate and use my business skills to ensure the DHB does everything possible for patients, not just turn up to rubber-stamp what managers say.

I chair the Ellerslie Residents Association, am active in the Ellerslie Songbird pest eradication project and will bring a fresh approach to the ADHB.

Please rank 1 to 7 all C&R-Communities and Residents candidates.

#### *Conflict of Interest Statement*

I hereby disclose the following conflict of interest with the Auckland District Health Board at the date of my notice of consent to being nominated as a candidate: I am currently a patient advocate for Patient Voice Aotearoa and Metavivors, non-profit groups standing up for better funding and care for cancer patients.
