### **Susan FLEMING**

Independent

My principal place of residence is not in the Auckland District Health Board area.

I am a Obstetrician and Gynaecologist with specialist medical qualifications and a degree in business. I grew up in Auckland graduating in the first Auckland medical class. I have broad

healthcare perspective having worked across New Zealand and internationally. I care deeply about the health of women and their families, the foundation upon which our community is based.

My latter professional life has been devoted to healthcare leadership which afforded the opportunity to more broadly influence health care delivery. I recently retired as the Director of Women's Health at ADHB and have a good understanding of the roles and responsibilities of the board.

I now live in Waitemata district, to be nearer to family. I remain deeply connected to ADHB. As your candidate I commit to using my breadth of knowledge and experience to ensure you receive care that is delivered responsibly and in a way that matters to you.
