

Auckland District Health Board

Electing 7 Members

Helen GAETA

City Vision Health

My principal place of residence is in the Auckland District Health Board area.

I am a senior lecturer in health education with over 25 years' experience teaching and researching, with a focus on health and ageing.

My work led me to the USA, which made me very aware of the need to protect NZ's public health system.

I will be a voice on Auckland DHB for strengthening this public taonga, for the benefit of all.

I have a commitment to community service with experience in governance. As the daughter of immigrants, I grew up in a bilingual world, so I empathise with new immigrants and ethnic minorities. I learned first-hand the importance of health equity-adapting health services to suit the needs of different groups.

My health background, years of work and life experience provides me with the skills to make a valuable contribution to the stewardship of Auckland DHB.

Vote for me and the City Vision Health team using numbers 1-7.

Conflict of Interest Statement

To the best of my knowledge and belief, I have no conflicts of interest with the Auckland District Health Board at the date of my notice of consent to being nominated as a candidate for membership for the board of the Auckland District Health Board, and I do not believe that any such conflicts of interest are likely to arise in the future.
