

Auckland District Health Board

Electing 7 Members

Fiona LAI

C&R - Communities and Residents

My principal place of residence is in the Auckland District Health Board area. I am also standing for Puketāpapa Local Board.

I'm a qualified (Bachelor of Pharmacy Honours from the University of Auckland) medical professional with over ten years' experience as a pharmacist. A member of the NZ Pharmaceutical Society, I host seminars on health risks and disease prevention.

As a lifelong Aucklander, I see our communities becoming more diverse with changing health needs. Every day I hear the frustrations of people struggling to navigate the health system and I want to stand up for them. It's important we deliver a first-world health system that's there when you need it, with the most effective medical equipment and services.

A board member must be a voice for the community when deciding how healthcare is delivered. I will bring my community pharmacy expertise, caring nature, practical business skills and a fresh approach to ensure the DHB focuses on things that matter to patients.

Please rank 1 to 7 all C&R-Communities and Residents candidates.
