### **Kit PARKINSON**

C&R - Communities and Residents

My principal place of residence is in the Auckland District Health Board area.

My number one priority is effective funding and delivery of focused health services for the people of Auckland.

For nine years I've served and currently chair Auckland's Ōrākei Local Board which covers Remuera, St Heliers and Ellerslie. With proven governance experience in business, community and ecological organisations including Ngāti Whatua Ōrākei Reserves Board and Tūpuna Maunga Authority. With my business and governance background, I will challenge management so patients and families are always put first. Strategy, budgets and back office performance will be closely scrutinised. I will focus on the decisions that matter.

Electing myself along with all other C&R candidates will ensure ADHB succeeds as NZ's top performing health board, serving Auckland residents and New Zealanders needing urgent specialist care.

Married with three children, I've lived in Auckland my whole life. I bring experience, energy, focus and results.

Please rank 1 to 7 all C&R-Communities and Residents candidates

#### *Conflict of Interest Statement*

To the best of my knowledge and belief, I have no conflicts of interest with the Auckland District Health Board at the date of my notice of consent to being nominated as a candidate for membership for the board of the Auckland District Health Board, and I do not believe that any such conflicts of interest are likely to arise in the future.
