

Auckland District Health Board

Electing 7 Members

Monique POIRIER

C&R - Communities and Residents

My principal place of residence is in the Auckland District Health Board area. I am also standing for Albert-Eden Local Board (Owairaka Subdivision).

Our healthcare professionals work incredibly hard day in, day out. We deserve a DHB that ensures Aucklanders receive the best possible care.

Quality mental health care is a passion of mine. I've seen first-hand just how much need there is for funding so mental health services are available when people and their families need help. I will advocate for improved maternity services, so new mothers and babies are well-supported. Our after hours and emergency services are also under huge pressure. Auckland needs new technology and systems so frontline services are reliable and efficient.

Master's Degree-qualified, I'm director of a business that helps young people become fit, active and confident in themselves. I understand strategy, budgets, risk and people management. I believe ADHB must be community and patient-focused, have sensible, transparent future plans and provide Aucklanders with world-class care.

Please rank 1 to 7 all C&R-Communities and Residents candidates.

Conflict of Interest Statement

To the best of my knowledge and belief, I have no conflicts of interest with the Auckland District Health Board at the date of my notice of consent to being nominated as a candidate for membership for the board of the Auckland District Health Board, and I do not believe that any such conflicts of interest are likely to arise in the future.
