

Auckland District Health Board

Electing 7 Members

Glyn RICHARDS

Independent

My principal place of residence is in the Auckland District Health Board area.

Having worked for A.D.H.B. all my working life, I want to contribute to its ongoing welfare since my retirement. My main specialty was anaesthetics and pain management both in relation to childbirth and more chronic disease.

Areas I wish to support.

Alongside the academic and business orientated candidates I believe a member experienced in hospital and community medicine would add balance.

I have worked in the Women's Health field throughout my career and whole heartedly support its future development.

As a department head I have worked under conditions of repeated financial constraints despite ADHB's admirable efforts to work within budget chronically underfunded. I would support moves to rectify this. I stand as an independent candidate.

Conflict of Interest Statement

To the best of my knowledge and belief, I have no conflicts of interest with the Auckland District Health Board at the date of my notice of consent to being nominated as a candidate for membership for the board of the Auckland District Health Board, and I do not believe that any such conflicts of interest are likely to arise in the future.
