### **Tadhg Tim STOPFORD**

The Hemp Foundation

My principal place of residence is in the Auckland District Health Board area. I am also standing for Mayor, Waitemata Local Board.

Hi there,

Would you like to improve public health and reduce public health costs?

We can. We can protect our families and friends better, cheaper.

That's why people are switching from medicines to hemp in Italy, because hemp works.

The Hemp Foundation has taught hemp medicine to six hundred and fifty medical professionals, and they support our plan to reduce health costs and improve health outcomes with hemp foods/medicine. Evidence shows we can reduce costs by a minimum of 10%.

We have supportive senior doctors and agencies.

Let's reduce our health burden, and improve health outcomes for all kiwis.

Start change with Stopford. It starts with education.

Let's face our future together.
